

2021 Living Shoreline Tech Transfer Workshop

On October 19-20, Restore America's Estuaries, American Littoral Society, New Jersey Department of Environmental Protection, and the Chesapeake Bay and New Jersey field offices of the U.S. Fish & Wildlife Service will host the 2021 Living Shorelines Tech Transfer Workshop in beautiful Cape May, New Jersey. This will be the nation's largest gathering focused on the science and policy of living shorelines and nature-based solutions, with an expected 200+ attendees including landowners and professionals working in the marketing, design, construction, or permitting of nature-based shoreline stabilization.

Date: October 19-20, 2021
Location: Grand Hotel - Cape May, NJ

General Sponsorship Levels

All levels include an exhibit table as well as website recognition and Sponsor Board recognition.
