

2023 LIVING SHORELINES TECH TRANSFER WORKSHOP

The 2023 Living Shorelines Tech Transfer Workshop, hosted by Restore America’s Estuaries and Galveston Bay Foundation, is coming to Galveston, TX on October 24 - 25. This is the nation’s premier gathering focused on the science and policy of living shorelines and nature-based solutions, with an expected 200+ attendees including project managers and restoration professionals working in design, construction, and/or permitting of nature-based shoreline stabilization.

Dates: October 23-25, 2023

Location: Moody Gardens Hotel and Convention Center – Galveston, TX

Sponsorship opportunities for the 2023 Living Shorelines Tech Transfer Workshop include:
