

Long Island Sound Community Impact Full Proposal Requirements

LISCIF - Timeline

Full Proposal Application

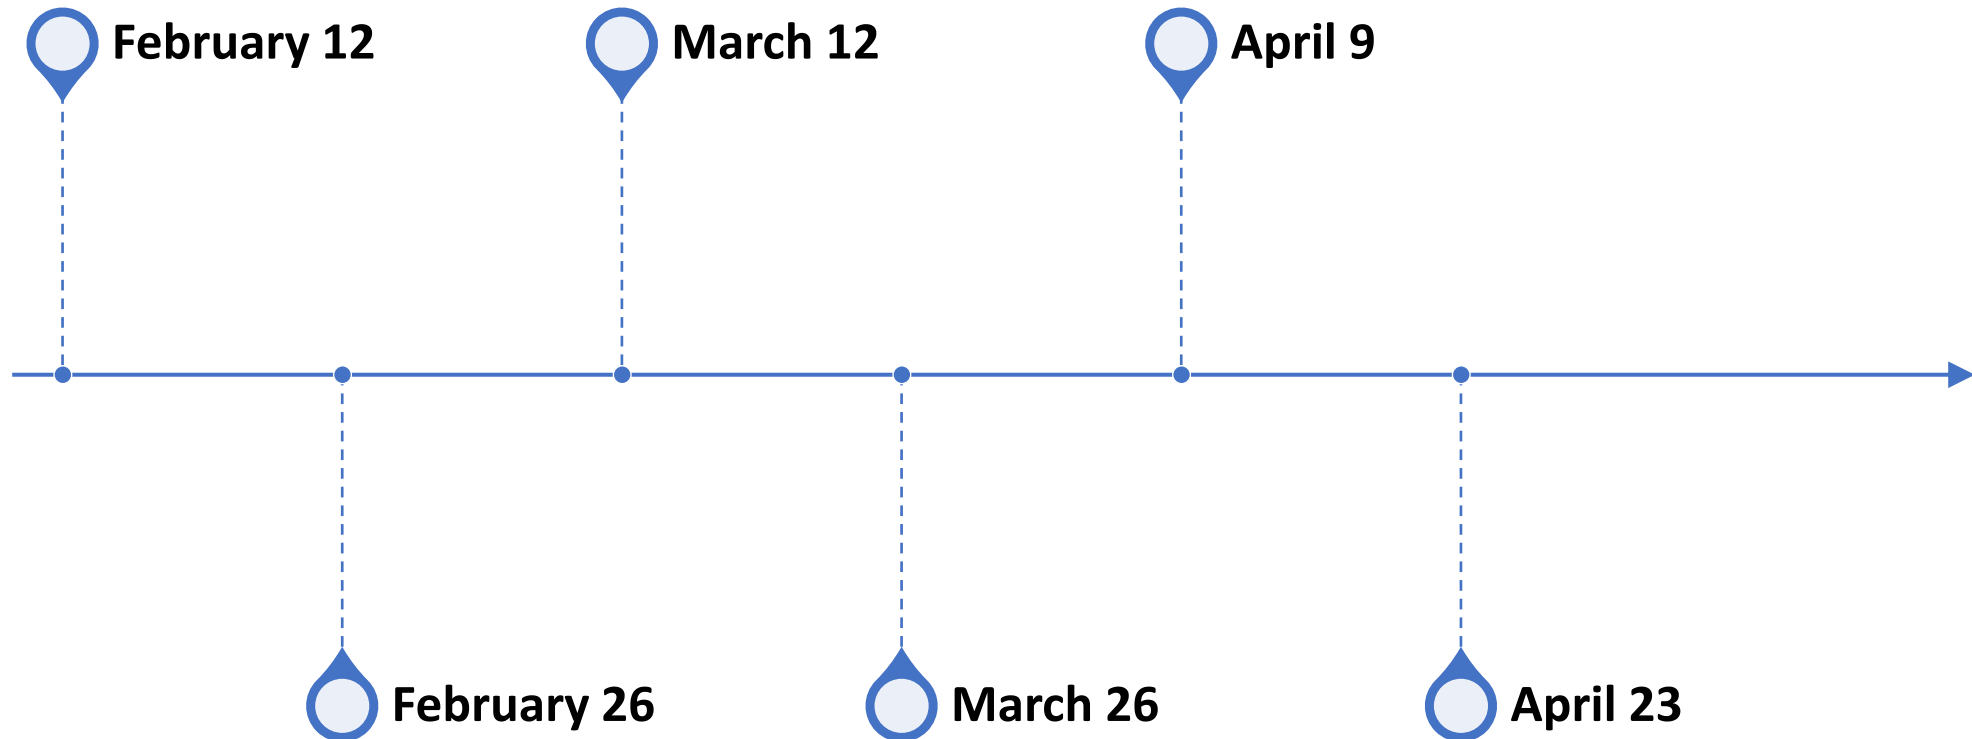

Section 1: Applicant Information

- Name of Organization
- Role (Project leader/Fiscal agent)
- Contact Information (include updates/changes here)

Section 2: Organizational Fiscal Information

- Employer Identification Number (EIN)
- Federal System Award Management (SAM) registration status and expiration date.
- Applicant organization Unique Entity ID (UEI)

WE ACT's Thriving Communities Technical Assistance Center (TCTAC) Offering Support with SAM Registration Numbers

Zoom Registration Link: <https://zoom.us/meeting/register/tJYkc-CvqjwpHdNaLQuFo9YbMSYxJSQNblRh#/registration>

Full Proposal Application (continued)

Section 3: Cost Information

- Amount of Request
- Assistance with upfront costs to get started (Working Capital Advance)
- Organization's Annual Budget

Working Capital Advance

- Organizations who need initial funds to start their project may possibly receive an advance
- Advance would cover the first two months of the project and then be reimbursement based
- If selected – written request required to request advance funds

Section 4: Project Overview

- Name of Project
- Description of Project (250-word limit)
- List Partner Organizations with description of roles (500-word limit)

Full Proposal Application (continued)

Section 5: Project Description

- Problem (250-word limit)
- LISCIF Program Priority
- Impact (500-word limit)
- Alignment with the CCMP (250-word limit)
- Stakeholders (500-word limit)
- Workplan (500-word limit)
- Outreach Approach (250-word limit)
- Area of Work (250-word limit)
- Area of Direct Impact (250-word limit)
- Project Team (500-word limit)
- Real Estate Control and Permissions
- Quality Assurance Performance Plan

Full Proposal Application (continued)

Section 6: Required Uploads

- Maps & Images – list coordinates of exact location(s)
- Proposal Budget – use the template provided by RAE
- Budget Narrative
- Letter(s) of Commitment
- Project Impact Model
- Certification Signature
- Real Estate Control and Permissions
- Optional Attachment(s)

Project Impact Model: The Full Proposal application requires applicants to complete a brief project impact model to identify expected project results based on established LISCIF performance metrics as indicated in the CCMP Implementation Actions.

- This document will assist RAE, EPA, and the LISCIF Review Committee in understanding how your project aligns with the CCMP. Refer to the examples on pages 15-19 of the ***LISCIF Project Case Studies, Examples of Impact Models & Implementation Actions*** under the LISCIF Resources page: <https://estuaries.org/liscif/grant-resources/>
- Attach a simple Project Impact Model to show alignment with your proposal, highlighting: the project name, LISCIF25 program funding priority, CCMP funding theme, project impact, at least one correlated, relevant Implementation Action.
- See the following slides as examples.

Long Island Sound Community Impact Fund (LISCIF25)

Project Impact Model Examples

Example 1: Rainwater Garden Swales

Project:
Rainwater Garden
Swales

LISCIF Funding
Priority: Projects
that result in
quantifiable
pollutant
prevention or
reduction.

CCMP Funding
Theme: Clean
Waters and
Healthy
Watersheds

Impact: Redirect
excess rainwater
to garden
spaces, reducing
stormwater
runoff and
removing
pollutants in the
Sound.

Implementation
Action: WW-35:
Assess sources of
pathogens and
nutrients and
work with
communities to
abate or alleviate
those sources.

Long Island Sound Community Impact Fund (LISCIF25)

Project Impact Model Examples

Example 2: Shellfish Aquaculture and Restoration

Project: Shellfish
Aquaculture and
Restoration

LISCIF Funding
Priority: Projects
that foster a
diverse
balance and
abundant
populations of fish,
birds, and wildlife.

CCMP Funding
Theme:
Thriving and
Abundant Wildlife

Impact: Increase
populations of
oysters, clams, and
scallops with the
implementation of
a shellfish
management
plan which also
supports coastal
restoration efforts.

Implementation
Action: HW-1:
Complete projects
that result in
restoration of
coastal habitat.

Long Island Sound Community Impact Fund (LISCIF25)

Project Impact Model Examples

Example 3: Protecting Piping Plovers

Project:
Protecting Piping
Plovers

LISCIF Funding
Priority: Public
engagement,
knowledge, and
stewardship.

CCMP Funding
Theme:
Sustainable and
Resilient
Communities

Impact: Increase
public
knowledge on
piping plovers,
their nesting
grounds, habitat,
and various
shorebirds.

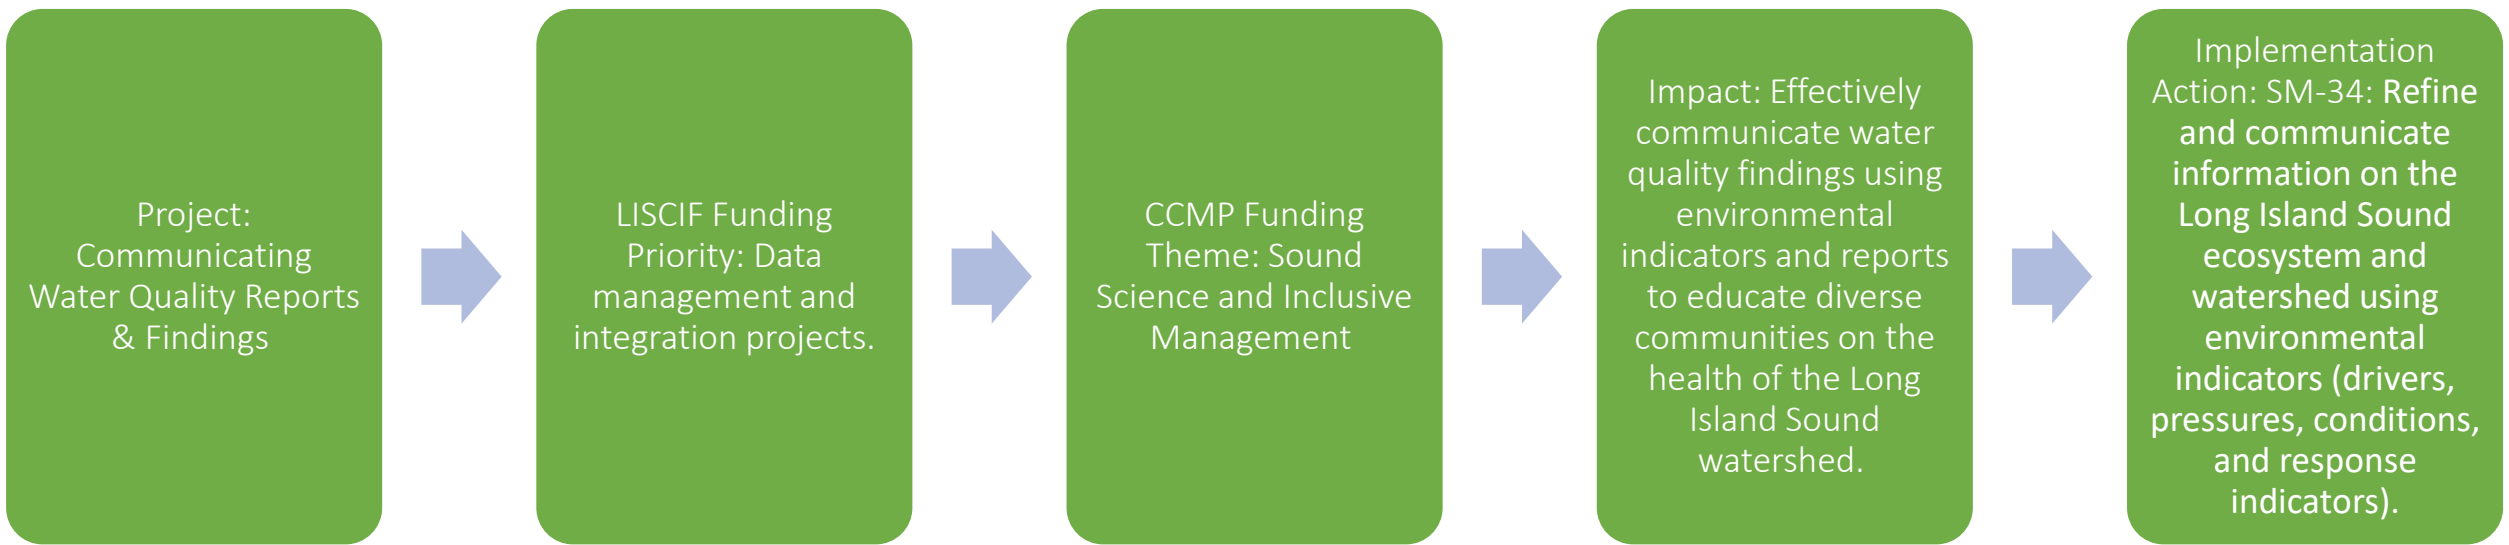

Implementation
Action: SC-
18: Support and
encourage
informal
education
activities on
Long Island
Sound.
